## About the College:

Don Bosco Arts and Science College is part of the worldwide educational and humanitarian network under the auspices of 'The Salesians of Don Bosco.' Don Bosco Arts and Science College is a higher education institution affiliated with Kannur University, approved by the Government of Kerala.

The Department of Social Work at Don Bosco Arts and Science College, Angadikadavu, is committed to nurturing compassionate, competent, and socially responsible professionals dedicated to the service of humanity. The department provides a dynamic platform for students to understand, analyze, and address various social issues through academic learning, fieldwork, and community engagement.

## Concept Note

Migration has been a defining feature of human history - shaping societies, cultures, and economies across generations. The national seminar ***"The Human Face of Migration: Psychosocial Challenges, Opportunities & Strategies"*** reflects on the historical patterns of human mobility while envisioning a future that embraces diversity, equity, and shared growth.

The conference is designed to bring together scholars, policymakers, migrant communities, civil society organisations, and private-sector stakeholders to rethink migration in India through the twin lenses of social inclusion and environmental, economic and developmental sustainability.
